### 2007 Oregon State Fire Code Overview - EUGENE

10:00am - 5:00pm

EVENT TIME 10:00am to 5:00pm

This six hour comprehensive overview of the new 2007 Oregon Fire Code will focus on the correct application of some of the more complex fire code regulations, and will clarify some of the more commonly misunderstood code provisions. The class will be taught by Samir Mokashi, Assoc. AIA. For more information, visit the Continuing Education page on this website.
