Last Updated Monday, 28 May 2007

This web site is a Joomla based Content Management website and testing area created by David Driver to provide a functionality review by the members of the Southern Oregon Chapter of the American Institute of Architects.

The Functionality I would like you to explore, all of which require you to register and log in are:

posting items to the forums, create new forums if you wish

posting news items:

also explore the "propose speaker" submitall here if you wish
